

SUPERDOGS

of Brent Sass' Wild and Free Mushing Kennel

Meet Brent Sass' 2020 Yukon Quest Champion team in this edition of Mushing Magazine.

Photos and descriptions by Wild and Free Mushing

Sluice

Born: 2012

Male

Weight: 55 lbs

Position in team: Leader

Sound (Sass) x Silver (Wold)

“The most accomplished veteran on the team, and the last direct descendant out of our main sire Silver. Reliable, hard headed and loyal leader. Sluice is the dog that will rise to the occasion and lead the team through tough conditions and challenges. Sluice is a two-time Yukon Quest Champion and was the Golden Harness Award winner in 2019. Sluice also completed the Copper Basin 300, Yukon Quest and Iditarod in 2020.

Jeep

Born: 2014

Male

Weight: 60 lbs

Position in team: Leader

Raisin (J. Redington) x Tofty (J. Redington)

“Raised as a sprint dog with Joee and Pam Redington, Jeep converted to a long distance race dog at age 4. On Joee's belief that Jeep could be a good long distance dog, at age 4 he trained and ran his first Yukon Quest 1,000-miler and went on to win the Golden Harness Award in that very race. Jeep is a hard driving command leader with great focus and determination, bringing the speed when needed. Jeep is a two time Yukon Quest Champion, and ran both Yukon Quest and Iditarod in 2020, leading a large portion of both races.”
