### Maddie (Shaytaan's Madasa Boxa Frogs)

Born 2009

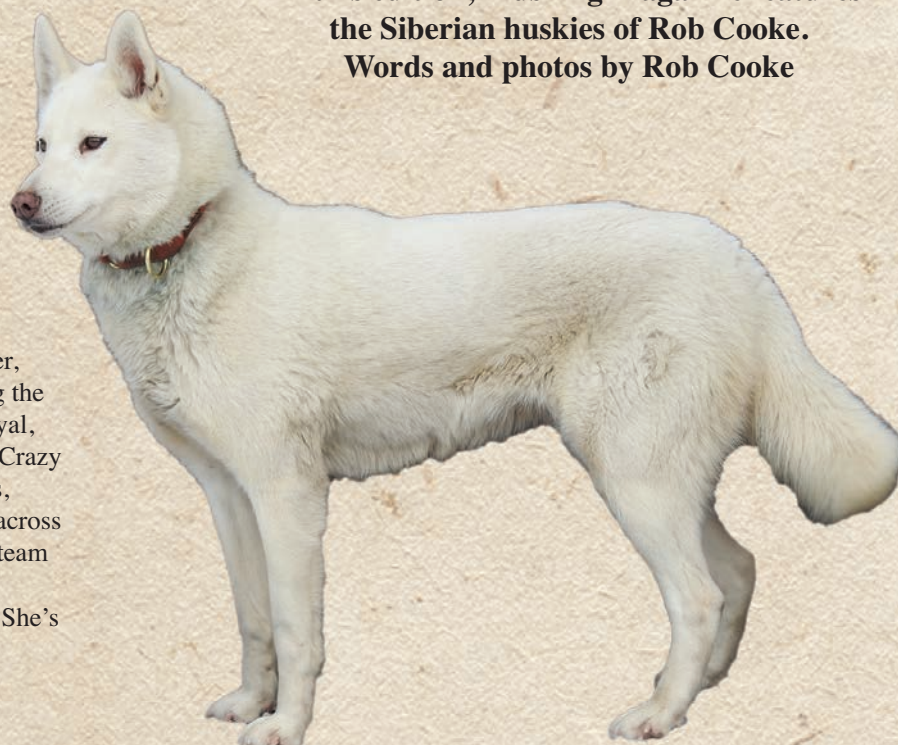

42 lbs

Female

Main Kennel Leader

Kermit x Medea (Kraken Kermit the Frog x  
Penkhala's Medea)

“Hard to know what to say, main kennel leader,  
pretty much responsible for the team finishing the  
Quest in 2015 and 2017, smart, intelligent, loyal,  
hard working, fun. The one female out of the Crazy  
litter, all of whom have been excellent leaders,  
Maddie has been the stand out. Led the team across  
the finish line in Nome in 2015 to ensure her team  
were the first pure bred team to complete the  
Yukon Quest and Iditarod in the same winter. She’s  
an amazing athlete and companion.”

### Psycho (Shaytaan's Psycho Killer)

Born 2009

60 lbs

Male

Kennel Leader

Kermit x Medea (Kraken's Kermit the Frog x Penkhala's  
Medea)

“Psycho is the main male kennel leader. He tends to be  
the most focused and serious of the Crazy litter and, along  
with his sister Maddie, will often be found at the front of  
the team when the going gets difficult. Four Quest finishes  
and one Iditarod finish, Psycho is in training for the 2019/20  
race season.”
