Born 2017

Male

Weight: 55 lbs

Team

Morello (Sass) x Manley (Sass)

“After having a breakthrough season in 2019 Kutuk came back stronger than ever in 2020. Always eager to please, and extremely talkative and happy. He is steady as they come as a race dog - one of those “invisible dogs” who is always doing his job. At 3- years-old Kutuk is a two-time Yukon Quest Champion and was on the team for the Copper Basin 300, Yukon Quest and Iditarod in 2020.”

Pink

Male

Weight: 55 lbs

Lead/Team

Louisa (Sass) x Mercury (Sass)

“Pink is a high energy, fun-loving sled dog — always smiling and eager to do his job! This guy can run anywhere in the team, and did a fair amount of leading during the races in 2020. Pink is a two-time Yukon Quest Champion and completed both Yukon Quest and Iditarod in 2020.”

Darla

Born 2015

Female

Weight: 35 lbs

Team

Louisa (Sass) x Mercury (Sass)

“Darla is by far the smallest member of our team, but is also one of the hardest working team members we have. Darla is stubborn and doesn’t always train well, but she knows when it’s time to race and always gives her best when she’s racing. Darla has a very smooth and efficient gait. Darla is a two-time Yukon Quest Champion and the completed Copper Basin 300 and Yukon Quest in 2020.”
